

REGALIA PRE ORDER POLICY

National Meeting regalia will be available for pre order from mid October 2009 until the end of January 31st 2010. The orders will be available for collection at the 2010 National Meeting, Adelaide in the Registration area on 2nd April 2010. If you particularly want to have the order posted, you will need to contact the National Meeting Regalia Coordinator before you send your order to find out the cost for postage and packing.

The pre-order form is available for download and printing from the 2010 National Meeting web site. Please complete the form and post it to the address at the bottom of the form, with either your cheque or credit card details.

A description of all the regalia is on the website with details of colours and sizes available as well as the brand name and style for reference purposes. There are also photos of most of the items and a size chart with measuring guidelines.

Please ensure that you order carefully as regalia will be ordered as required and will not be available at the National Meeting for general sale. The sizes listed in the **size chart** have been measured carefully from the sample regalia items and represent the actual garment measurement **not** the measurement for the body underneath. Our advice is to measure your favourite fitting garments of a similar style and use this measurement as your size guide. If you are between two sizes, particularly for those items that are 100% cotton, you should order the larger of the two sizes.

When you join us at the 2010 National Meeting, there will be generic MG and MGCCSA regalia for sale. This will include mugs, belt buckles and other items that the MG Car Club of South Australia has in our regalia selection, which we are sure you will find attractive.

See you here!!!
